CySEC AML EXAM PREPARATION COURSE ANTI-MONEY LAUNDERING (AML) REGULATION & UPDATES

16 CPD UNITS

As per EU Directives, any person wishing to provide Investment Services and employed by Cypriot Investment Firms, Credit Institutions, Management Companies, and Investment Companies of Variable Capital, is required to undergo through Continuous Professional Development courses as to be updated on new Directives and Regulations. AML is considered as one of the most important topics and it is one of the riskiest areas in a Financial Institution.

The aim of this seminar is to educate professionals on how they can apply realistic and efficient risk-based approach, on their every-day work environment. Financial institutions are vulnerable to be used as a stepping-stone for criminals and must have enhanced protection for each potential insider threats as well as outsider threats for their organization. The syllabus covers the contents of the CySEC AML Workbook. During the course, candidates will be provided with insight about the CySEC AML Certification and practical real-life examples.
