

3 CPD UNITS

THE IESBA REVISED AND RESTRUCTURED CODE OF ETHICS

In order to adjust their work and implement its rules appropriately, professional accountants and auditors must have a thorough understanding of the updated code of ethics.

This course focuses The International Code of Ethics for Professional Accountants (including International Independence Standards) which have undergone an extensive revision including significant updates to the sections related to independence provisions and ethics and clarifies how professional accountants should use the conceptual framework in order to adhere to the core values of ethics and be independent. The aim of the webinar is to ensure that all participants are aware of all the provisions of the new Code of Ethics.

TARGET GROUP

This course has been designed for the professional Accountants of all levels either working in practice or in the industry and are in need for compliance with the International Code of Ethics
