

Presenting with impact

The purpose of the seminar is to help participants enhance their presentation and facilitation skills, so as to deliver presentations even more effectively.

More specifically, the seminar will help participants:

- Identify key qualities of effective presenters
- What makes a presentation successful or disastrous
- Practise their presentation skills
- Build confidence
- Facilitate discussion and manage participants' behaviour even more effectively
- Use even more effectively verbal skills, non-verbal skills and visual aids

Who should attend the seminar?

Junior or senior members of staff who are involved in making any kind of presentations within their firms and/or clients.
